A WORD FROM FATHER BRANDON

After this weekend, I will be heading off to my 30-Day retreat which I have been anticipating and planning for over a year now. As I've said previously, I will be away at the campus of Creighton University, Omaha, from 23 June to 29 July. Over those five weeks, Fr Ray is covering - a favor I am eternally grateful for! There is one weekend (next weekend) that you'll have Fr David Renne from Saint Mark Seminary & Gannon University, Erie, coming down to cover. I appreciate the huge favor Fr Ray is giving me in being so willing to cover the daily Masses, confessions, funerals, and weekend liturgies! I am, and we are, so blessed to have him here at Saint Michael! I look forward to seeing you on my first weekend back, 3 & 4 August. I am super excited to be going on this - I can't wait! I think the hardest part of this retreat, though, is going to be not being able to preach! I do love that aspect of my life as a priest quite a lot, and not being able to engage in that aspect of my priesthood is going to be the hardest! In lieu of that, I will keep you all tight in prayer and just know that I will think of you each day while I'm away for the month. I only ask that, in addition to behaving for Fr Ray, that you just pray that I remain engaged and committed for the month and that I come back a holier and better priest and spiritual father for you and to our little community and corner of the world!

At the end of this month, while I am away on retreat, we will be thanking our Faith Formation staff for their many years of service as we undergo some changes. Mrs. Judy Seman will be retiring after just shy of 30 years of ministry in the Faith Formation of our students of Saint Michael Parish and Saint Margaret Mission! She has been doing this work for our parish since I was in the third grade! It's remarkable to think of just how many lives have been touched by her over these three decades and two generations of young people! For the last 8 years, Mrs. Teia Barger has been our Director of Faith Formation! She has overseen and led the program through much change, especially as the Diocese has refined and set out new goals and programming over that time. She has also been a tremendous asset in her love of retreats and making - especially our Confirmation retreat - something truly meaningful for our students. I have really admired her devotion to those and wanting to make them something great. Together, Judy & Teia have brought decades of devotion and service to Faith Formation here at Saint Michael Parish - including Saint Margaret Mission. I am grateful for their years of giving so much of themselves and their leadership here in the parish. I encourage you to thank them and let them know what they have meant to you, your own faith - and your children - over these years!

The future of Faith Formation in the parish will be put into the hands of a newly being formed Parish Faith Leadership Team. I am forming a team to not only manage and lead the 'Sunday school' component of Faith Formation, but also to be a team to lead and guide the faith formation of Saint Michael school and, ultimately as time goes on, every aspect of faith formation within the parish. I have asked Mr. and Mrs.(Chris and Megan) Straub to lead that team as a couple. I have also asked one of our SMS teachers, Ms. Jamie Knicely, to work as program coordinator of our Sunday Faith Formation. A unique thing about this team is that I want to form a team of educators who have as their primary vocation in the world teaching and forming our children. I want a team of faithful educators to help me in picking up where Teia and Judy have left off - to build upon their decades of work - and to extend their purview into all areas of faith formation in the parish. I wanted to form a team that could collaborate together and where not one single person would ever bear all the load of the work but collaborate and strategize and delegate amongst themselves the work of forming our children, and adults, in the faith. Please be patient with them as they get working together as a team and as we build out the team. They will get underway while I am away in silence, but I wholly trust them to do the work they need to do in my absence.

See you in five weeks!

*Love,
Fr. Brandon*
