FAITH FORMATION

Our 3rd Graders will be making their First Holy Communion in May. Each year, the Faith Formation office gives the students a rosary to remember the day.

If you have time in the next month, please select a rosary to take home for a week. During that week, please use the rosary to pray for the student making their First Communion. Please return the rosary the following Sunday. The students will receive a rosary already "worn-in" with prayer on their special day!

The rosaries will be in the Gathering Space for the month of April.

A WORD FROM FATHER BRANDON

St Michael Parish 3rd Quarter Financials 1 July 2024 - 31 March 2025

Income	\$543,082	Expenses	\$479,536
Offertory	\$454,334	Salary & Benefits	\$173,819
Gifts, Bequests	\$60,605	Asses. & Subsidies	\$124,212
CSA ('24)	\$22,535	Maintenance	\$60,814
Misc.	\$6,148	Utilities	\$43,518
		Parish Activities	\$25,838
		Rectory & Office	\$21,114
		Insurance & Tax	\$15,994
		Liturgical	\$9,669
		Faith Formation	\$4,558

Above you can see a snapshot of the parish financials through 31 March. One observation is that we received a bequest of more than \$30k and several generous one-time gifts. These have created the budget surplus you see. Looking at the right side of the ledger, utilities shot up quite a bit from last time. The gas bills this winter, alone, have been \$18k! That figure will creep up over the next month or so. Outside of that note, all's been normal and on track.

Looking over at the school's numbers, we will need to have enough money on hand 30 June to pay the remaining faculty summer payrolls. 30 June is an important date because it is the end of the FY and a point when there will no longer be any income generated for the school. We are in deficit and are going to have to subsidize additionally on top of what we've already done. It looks like we are going to be about \$85k short. We are going to have to pull that money from somewhere and give it to the school so we can pay our faculty. As we near 30 June, I'll just monitor the church checking balance and 'zero it down' to a certain amount and, after that, whatever is remaining of that \$85k deficit, I will pull from the investment account. It's important to continue to steward these assets, as it looks like we have quite a few of our kids heading down to St John Paul II and that money is there to help subsidize them throughout the remainder of their diocesan Catholic education! So that is why I want to pull from excess cash before I pull from the investment account. Outside of that, all is good! Thank you for your continued generosity and trust you put in me to steward your treasure!

This will be our final full week of Lent as next week will already be Palm Sunday, Holy Week, and Triduum! That's just wild to think about! I ask that you simply remember to get confession in before Easter by going to any of the confession times available between now and then. I, again, just ask that not everyone wait till the last night! Also, please make note of the Triduum liturgies and times: Holy Thursday 7PM, Good Friday 3PM, and Easter Vigil 8:30PM. I would hope to see most there at those liturgies next week. It is the highlight of our faith and there is nothing like the reverence and mystery of those holy three days!

Love,
Father Brandon
